

Hello,

Welcome to the WFSC's **80th** membership year. Registration begins June 1st. We look forward to your enrollment and please contact me with any questions you have.

**REMINDERS/NOTICES:**

**Make sure you're aware of the WFSC's volunteer policy** and the fees associated with failure to meet those requirements. To view the policy, go to the WFSC website and select it under the ABOUT US tab. Email Val Thomas, [valeriel.thomas@hotmail.com](mailto:valeriel.thomas@hotmail.com), with any questions.

**Please list your most checked email when registering in Entryeze**, that email address will receive all club emails containing information about tests, competitions, meetings, volunteer opportunities, or fun activities set by the WFSC Board or Junior Board.

In addition to the parent's email address, we are asking for the skater's email. This is an effort to make sure the skaters are aware of any and all events that the WFSC is hosting. We understand if you opt out of this.

**IF you change your email address at any point during the season**, please let Tom Dropp know so that changes can be made in our communication systems, such as Entryeze or Constant Contact.

The WFSC is not responsible for any emails or information not received by members who fail to do this.

To ensure everyone has a pleasant and easy enrollment, we've provided a few examples.

**IF you've never been registered with a club before:** Make sure to select, **INTRODUCTORY!!**

**IF you're renewing your membership, or have been registered with a club before:**

A family with **one skater:** will **register as a Home membership under the skater's name;** this can also cover the cost of a parent (but not register with USFS unless they need to for WFSC or EDGE purposes)

A family with **two skaters:** the **first skater** will register for a **Home membership** under their name. The **second** is a **Subsequent membership**, they will **register under their own name**. A parent can still be covered (see family with one above)

\*\*\*\* Families with more skaters will proceed as above, adding as many subsequent memberships as needed.

Families with **one skater** and a **parent on a WFSC or EDGE board:** proceed as a family with one skater, see above. **The parent will register as a Board membership**, you will be credited in Entryeeze.
