

Hello Everyone,

Welcome to the WFSC's 2019-2020 membership. We will be opening registration on June 1st to synch up with USFS. Listed below are the categories and cost of the upcoming year's enrollment. There have been a few changes in volunteer requirements, coach membership, cost, and categories; so please read carefully. We look forward to your enrollment and please contact me with any questions you may have.

Tom Dropp
WFSC Membership Chair
tjdropp@yahoo.com

To ensure everyone has a pleasant and easy enrollment, we've provided a few examples.

A family with **one skater**: will **register as a Home membership under the skater's name**; this will also cover the cost of a parent (but not register with USFS unless they need to for WFSC or EDGE purposes)

A family with **two skaters**: the **first skater** will register for a **Home membership** under their name. The **second** is a **Subsequent membership**, they will **register under their own name**. A parent will still be covered (see family with one above)

**** Families with more skaters will proceed as above, adding as many subsequent memberships as needed.

Families with **one skater** and a **parent on a WFSC or EDGE board**: proceed as a family with one skater, see above. **The parent will be covered by the Home membership**, we will also credit you with Entryeeze.
DO NOT REGISTER AS A BOARD MEMBER.

2019-20 WFSC Membership Categories and Privileges
